**Disclaimer**

Certain information contained in the conference call may constitute forward-looking statements that involve risks and uncertainties. Participants in the conference call are cautioned not to place undue reliance on forward-looking statements, including, but not limited to, statements regarding the sustainability of future dividends. Such information, although considered reasonable by Inter Pipeline at the time of preparation, may later prove to be incorrect and actual results may differ materially from those anticipated in the statements made. For this purpose, any statements that are not statements of historical fact may be deemed to be forward-looking statements. Forward-looking statements often contain terms such as "may", "will", "should", "anticipate", "expects" and similar expressions. Such risks and uncertainties include, but are not limited to, risks associated with operations, such as loss of markets, regulatory matters, environmental risks, industry competition, potential delays and cost overruns of construction projects, and the ability to access sufficient capital from internal and external sources. You can find a discussion of those risks and uncertainties in Inter Pipeline's securities filings at [www.sedar.com](http://www.sedar.com). The forward-looking statements contained in the conference call are made as of the date of the call, and, except to the extent required by applicable securities laws and regulations, Inter Pipeline assumes no obligation to update or revise forward-looking statements made therein or otherwise, whether as a result of new information, future events, or otherwise. The forward-looking statements contained in the conference call are expressly qualified by this cautionary note.
